UNITED STATES COURT  
DISTRICT OF OREGON  
PORTLAND DIVISION

Andrew Guy Moret  
COMPLAINANT

A BILL OF INDICTMENT

Meagan Vance, Beth Roberts,  
Ellen Rosenblum, Marie Atwood,  
Melanie Kebler

Comes now complainant, bringing this bill of indictment against defendants for the reasons stated below, to wit:

I, Andrew Guy Moret, do possess a license to distribute the copyrighted material known as "Albino Porn", my rights to use said license are being violated by defendants. They ordered destruction as well.

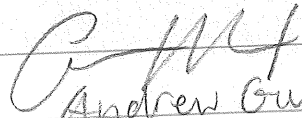

This conspiracy against rights and deprivation of rights - US TITLE CODE 18 241, 242 and 18 USC 2319 copyright infringement, is in direct contravention of my first amendment rights. It is also in violation of 17 USC 201, 301, 506, 511.

This case is similar to Benjamin Barber v Oregon, et al. 16CV-02105-AC in so far that the copyrighted material is the very same "Albino Porn".

I received said copyright legally by contract from Benjamin Barber, the copyright owner.

I swear all this to be true.
